CHARLES-TOWN

WE learn from *Georgia*, that the *Cherokee* Indians lately attack'd four *French* Boats on the *Alabama* River, took two of them, kill'd four Men, and brought off 60 Horse-loads of Plunder. From the Motions of the *French* in those Parts, 'tis not improbable, that they have in View some Attempt upon these *Southern* Provinces, and the ensuing Spring may perhaps be the Time; for we know from *Europe*, and also from *St. Domingo*, that Abundance of Troops and all kinds of Implements of War, have been a long Time sending to *Missisippi*, and we have been told, that a great Number of Boats are continually employed in carrying Cannon &c. up that River: We should therefore (as the most likely Way to defeat Attack) be prepared against them on all Hands, let the Enemy come when or where they will

On Friday last put in here, to stop a Leak, the Ship *Anne's Increase*, *Thomas Preston* Master, from *Virginia* bound for *London*, having been 30 Days at Sea.

The same Day arrived Capt. *Linthorn*, in 39 Days from *Lisbon*, by whom we learn, that the *Tyger* Privateer of *Bristol*, had been obliged to put in there to refit, having received a whole Broadside from the lower Tier of a *French* 74 Gun Ship, which she came up with in the Night, in the Bay of *Biscay*, in Company with another Ship of 64 Guns and two Frigates, after having dogged them two Days mistaking them for Merchant men; that they steer'd for *America*, and did not once alter their Course to chace the Privateer; and that the *Tyger*, in 12 Hours after parting with them, spoke with Admiral *Knowles*, who had 10 Ships of the Line with him, and immediately ordered them to give Chace. The *Harwich* took and sent into *Lisbon*, a *French St. Domingo* Ship, on board of which was Capt. *Clement Conyers*, who was taken some Time ago in his Passage from *Jamaica* to this Place, and is now arrived here in Capt. *Linthorn*

On Sunday arrived here Capt. *Lightbourn*, in 12 Days from *Bermuda*, who informs us, that a Privateer Scooner, of 14 Guns and 70 Men, belonging to *Halifax*, had taken and carried in there a rich *French St. Domingo* Ship: And that the *Alten*, from *Jamaica* for this Port, (supposed to have been taken), had put in there.

On Monday last His Excellency the Governor (accompanied by His Excellency *Henry Ellis*, Esq;) was pleased to review the *Charles-Town* Militia, and expressed much Satisfaction at the good Conduct of the Officers, and at the Dexterity and Regularity which was shewn by the Men in going thro' their Exercises and Firings.

His Excellency *Henry Ellis*, Esq; the new Governor of *Georgia*, we hear, sets out for his Government To morrow, the Weather seeming now a little settled.

The Quantity of *Carolina*-made INDICO, shipped from this Port since the *first* of *November* last (tho' we had remarkably bad Seasons last Year), amounts to 497,315 *lb.* and of Rice to 15 313 whole Barrels, 1029 half Barrels, 375 Bags, 38 Butts, and 5 Hogsheads.

A *Cape-Fear* Pilot-Boat, with several Passengers on board coming here, we hear, was lost about a Fort night ago upon Cape *Romain*, near which some of the dead Bodies have been found.

"'Tis said, that an ARTILLERY Company for *Charles Town* will soon be form'd, agreeable to the Application of a late laudable Association; and also, that such of the Slaves in the said Town, (which are required by the *Militia Act* to be returned to the several Captains on the first Muster Day after the 25th of *March*, yearly), as shall be found most proper, will be form'd into Companies and Matrosses and Pioneers."
